

CCRA FALL SEMINAR A BIG SUCCESS!

The CCRA Fall Seminar was held October 19, 20 and 21 at the Marriott at Fort Collins. The weekend was a big success and was reminiscent of years past.

The highlights of the weekend included a realtime seminar, an office technology seminar, a CART and the gospel seminar, the Gore v. Bush hearings and finally a seminar focusing on the Susan Doll case. The presenters were wonderful and the Fort Collins Marriott went the extra mile to accommodate us. The food was wonderful and although the weather didn't totally cooperate, the weekend was one of the best Fall Seminars in recent history.

The Committee realized a profit of about \$8,000. Thanks, Mary George and Julie Matt for your time and efforts in putting this seminar together.

So much to learn –
so little time!

Student Seminar
